

ZEENAT ABRAR

FULL STACK WEB DEVELOPER

PROFESSIONAL SUMMARY

I am a Full Stack Web Developer with a passion for building beautiful and user-friendly websites. I have a strong understanding of both front-end and back-end development, and I am excited to put my skills to use in a professional setting. I am quick learner and a team player, and I am confident that I can be a valuable asset to any web development team.

PROJECTS

DIGITAL EMPIRE |

React | Redux | JavaScript | HTML | CHAKRA UI

- Created Learning-Bees, an online education application. Implemented essential features including user signup and login, theme customization, payment integration, search functionality, and a dynamic slider. This project was developed individually.
